ICS 7075-88
18 April 1988

MEMORANDUM FOR: David D. Gries
Vice Chairman, National Intelligence Council

ATTENTION: National Intelligence Officer for Strategic Programs

FROM:
Deputy Director for Requirements and Evaluation, ICS

SUBJECT: Request for Assistance

25X1

1. This memorandum asks for your assistance in the near-term future and long-term future.

2. I would like to apologize for being a forgetful, and perhaps witless soul: we produced some correspondence last week, inviting key senior intelligence officers to a meeting today on the subject of mobile missiles, and we simply forgot to invite you. Mea culpa.

3. I have attached a set of the correspondence for your information and use.

4. The near-term problem is that we need your views, at least in overview, on all of this material by Wednesday morning. A phone call on secure will do the job, I think.

5. Looking to the future, we very much want to have you directly participate in this work. I promise to try harder to ensure that you are a player henceforth from the beginning.
